Cai Be & Ben Tre (2D/1N Program)

Day 1: Ho Chi Minh City - Cai Be - Ben Tre (-, L, D)

Pick up at your hotel and start a drive along scenic countryside to Cai Be (120km / 2.5 Hours). On arrival board a private boat for a cruise trip along the mighty Mekong River. Stop by the bustling floating market. Continue to Dong Phu Island. Cycle one hour under the green canopy, exploring the fruit orchards and daily life of farmers, and have a lunch break on the island. Then cruise 1.5 hr down Mekong River to Cho Lach canals where you will pedal your bike at leisurely pace to discover nursery gardens and fruit orchards around. Late in the afternoon set sail again for a 1.5 hr cruise to Ben Tre for the night. Enjoy the rest of the day for fishing or cooking discovery. Stay over night at local home.

Day 2: Ben Tre - Ho Chi Minh City (B, L, -)

After breakfast, start cycling 2hrs back on small trail along the river, observing daily life of the locals and feeling lost on winding road under the green coconut canopy. At noon time board the boat and cruise downstream the busy branches of the Mekong and then into a peaceful canal. Visit an island orchard and have a lunch break with traditional meal, see the daily life of farmers and try exotic seasonal fruits unique to the region. Drive back Ho Chi Minh City. Drop off at your hotel.

Diving in Nha Trang (3D/ 2N Program)

Day 1: Arrival in Nha Trang (-, -, -)

Meet at Cam Ranh Airport or Nha Trang railway station on arrival and transfer to a hotel. PM: visit to the Po Nagar Towers, the Oceanography Institute and Long Son Pagoda. Stay overnight in Nha Trang.

Day 2: Nha Trang Scuba diving for certified divers (B, L, -)

Pick up at your hotel and transfer to Cau Da pier. Take a one-hour dive boat cruise (or 15-minute speed boat trip) to Hon Mun and Hon Mot, the Preserved Area of Coral Reefs & Ornamental fishes announced by Marine

Park Authority. The weather obviously dictates diving conditions, but normally visibility is 10 - 30 meters and water temperature between 22 - 30°C degrees. Enjoy two dives exploring the underwater world with many rare fishes (frogfish, paper fish, devil scorpion fish, dragonets, flying gurnard, cowfish etc.) and over 400 species of hard coral. Lunch is served on board the boat after your first dive. Return by boat to the pier. Transfer back to your hotel. Stay overnight in Nha Trang.

Day 3: Departure from Nha Trang (B, -, -)

Relax on the beach and enjoy the hotel facilities, or stroll around the shopping area until check-out time. Transfer to the airport or railway station for departure.

Note: The good season is from February through October.

SGNMT 09.19

Diving in Phu Quoc (3D/ 2N Program)

Day 1: Arrival in Phu Quoc (-, -, -)

Meet at Phu Quoc Airport on arrival and transfer to your resort. This 600 sq.km island lies in the Gulf of Thailand, 65 miles off the south-west coast of Vietnam, and is genuinely unspoiled by time and tourism. The fresh sea breezes and stunning sandy beaches touching crystal clear blue water make this a true paradise. Relax on the beach and enjoy the resort facilities. Stay overnight in Phu Quoc.

Day 2: Phu Quoc Scuba diving for certified divers (B, L, -)

At 7:30 start a cruise journey to the An Thoi Islands. Enjoy three dives exploring the underwater paradise. The pristine hard & soft corals around the mass of small islands are home to a huge variety of small colorful coral reef fish, many of them endemic to Vietnamese waters. The mysterious dugong has also been sighted here. Lunch served between the dives. Stay overnight in Phu Quoc.

Day 3: Departure from Phu Quoc (B, -, -)

AM: At leisure. PM: transfer to the airport for departure.

Note: The good weather and clear water start in mid November and last until early June.

Diving in Nha Trang

Con Dao Island

SGNMT 09.20

Diving in Con Dao (3D/ 2N Program)

Day 1: Arrival in Con Dao (-, -, -)

Meet at Con Dao Airport on arrival and transfer to your resort. Con Dao is an archipelago of fourteen islands situated 180km off the southeast coast of Vietnam. Con Dao is one of only two national parks in Vietnam, which encompasses both terrestrial and marine natural resources. The islands remain largely undisturbed and are among the best conserved areas in the country. Con Dao supports a high level of biodiversity - over 1300 marine species have been identified so far such as dugongs, dolphins, and green turtles. Additionally, pristine beaches, green primitive forests and a rich history make Con Dao have much to offer. Protected as a national park since 1993, Con Dao is an absolute haven for divers, nature lovers and beach vacationers. After hotel check-in, spend rest of the day for visits to the Con Dao Museum and colonial jails, and then a soft trek of 6km to Ong Dung Beach, where you can enjoy the stunning beach. Stay overnight in Con Dao.

Day 2: Con Dao Scuba diving for certified divers (B, L, -)

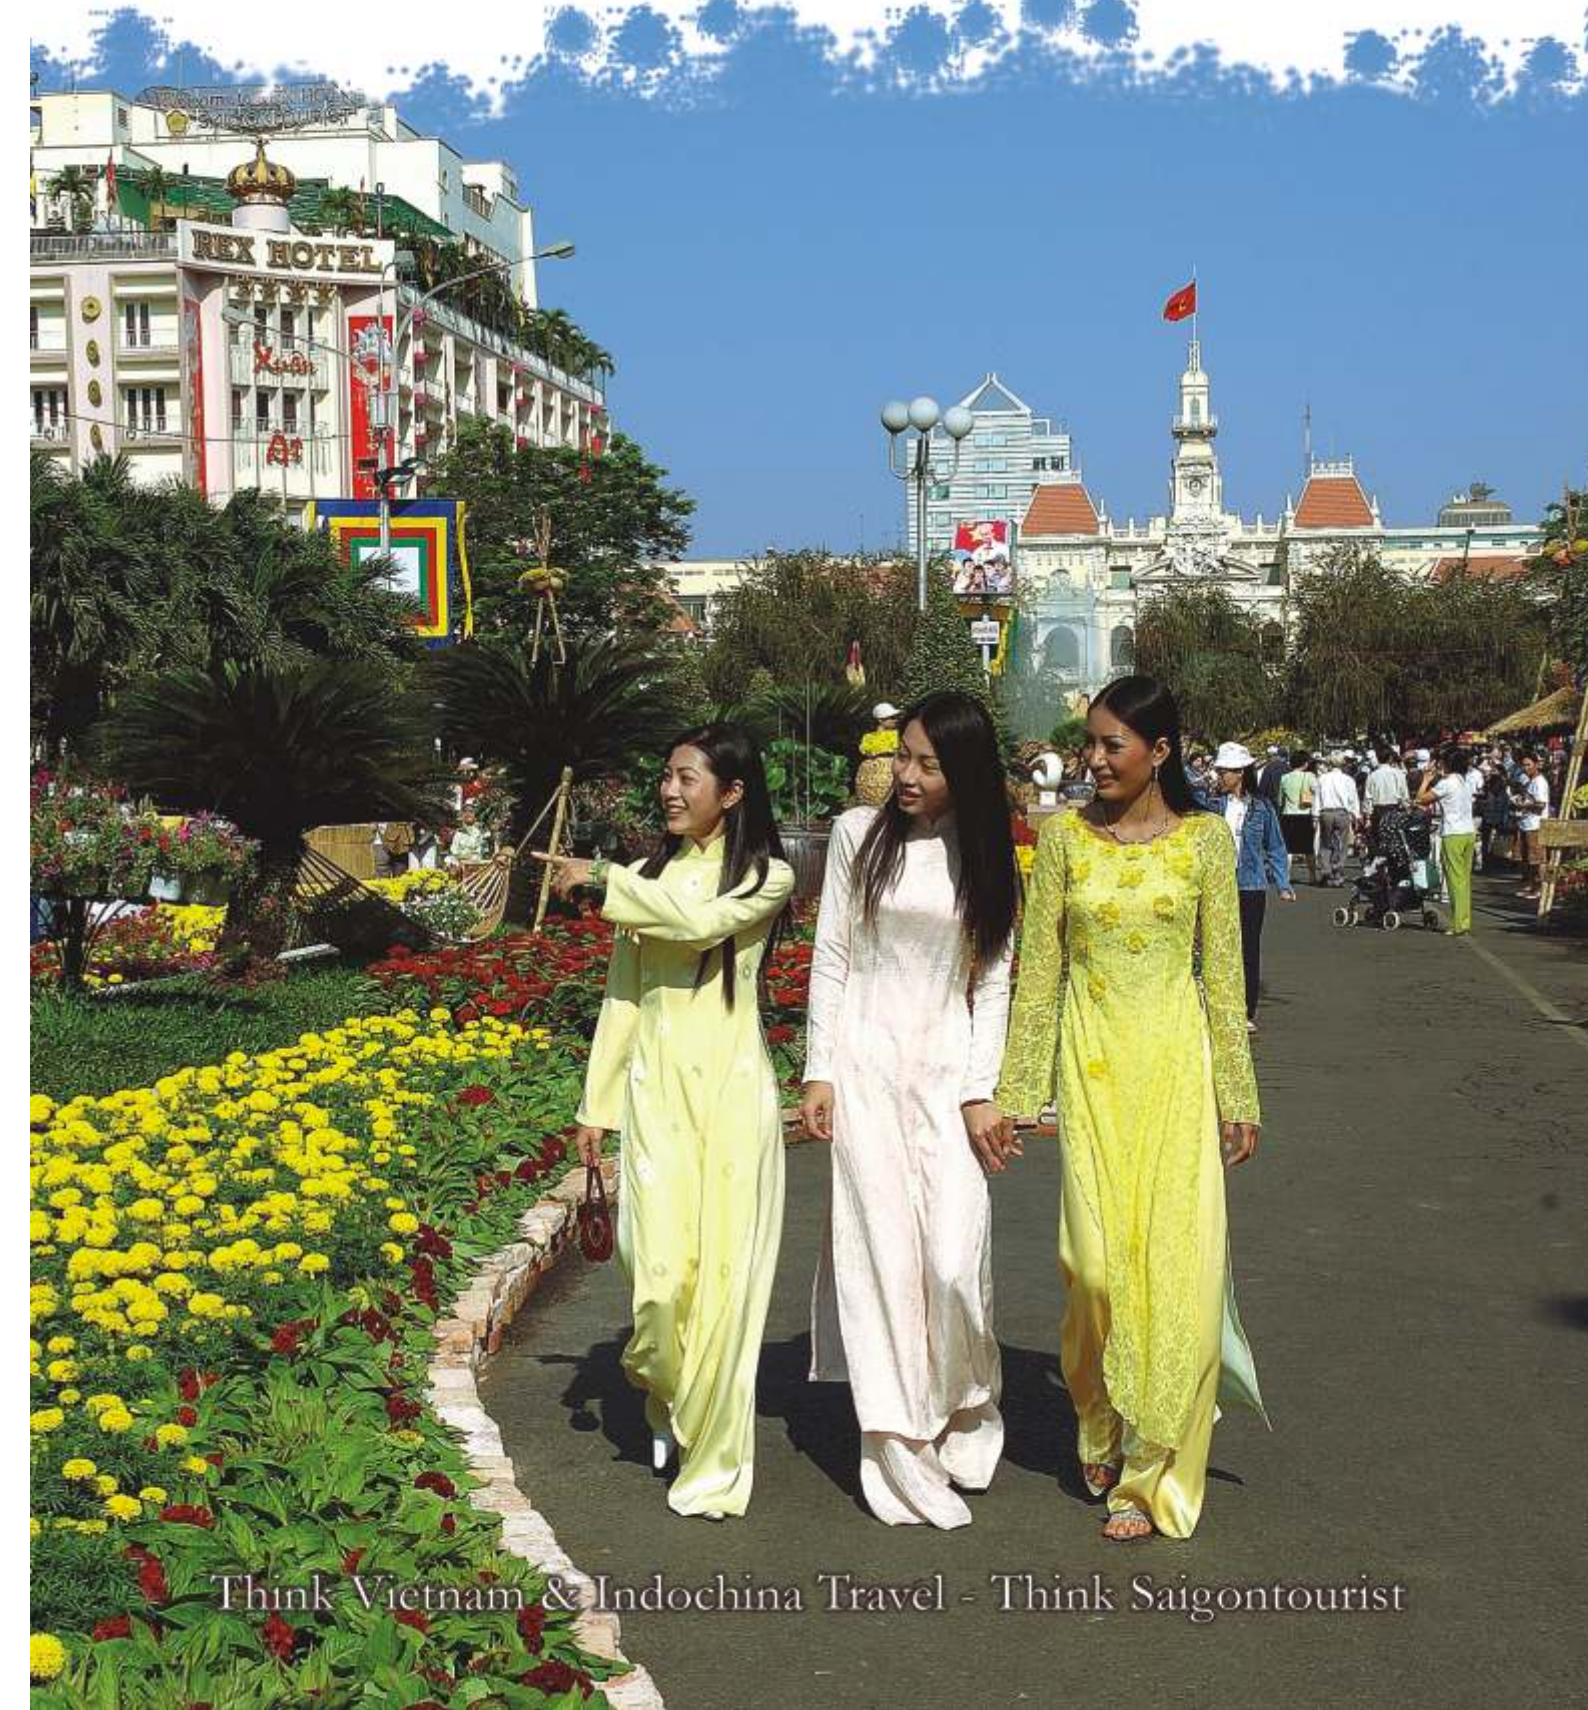

Walk a short distance to the pier and board the Rainbow Boat, equipped with VFH radios, GPS, Depth Finder and TV and Video for a cruise journey to nearby islands. Enjoy two dives exploring the underworld paradise. Con Dao absolutely is an ideal site for divers, which offers a visual feast, with over 1,000 hectares of stunning coral reefs teeming with a colorful array of marine life. Lunch served between the dives. Stay overnight in Con Dao.

Day 3: Departure from Con Dao (B, -, -)

Transfer to the airport for departure flight.

Note: The diving season here is from January to July.
